#### To The Class Of 1965

The great purpose of your years of study, past and present, has been your preparation for the future. The attitudes, skills, concepts, and abilities which you, the Seniors of Bedford High, have acquired, plus the degree of maturity, self-discipline, and resoluteness which you have developed, are the determinants of the probability of your success as you move along in life beyond the activities of this high school environment.

Competition in higher education and the vacations increases in magnitude yearly as the demand for excellence becomes more and more vital to status in domestic or global confraternities. It is my belief that the discovery and creative approaches to learning and understanding with which you are now quite familiar will aid you to be confident and self-reliant in meeting the challenges of the future.

John Glenn

To The Class of 1965

A talented American writer one time remarked that the way to get attention was either to fire a bomb or light one small candle in the darkness.

We have always preferred the latter way. It is less destructive. The results are the same, and the light of one small candle spreads far and wide after the sound of a bomb is forgotten.

If each of you as members of the Class of 1965 can carry one small candle, what a tremendous glow you can spread around the world.

Very truly yours,  
Edward H. Gillespie, Principal

*"For what is it to die but to stand naked in  
the wind and melt into the sun?*

*And what is it to cease breathing, but to free  
the breath from its restless tides, that it may rise  
and expand and seek God unencumbered?*

*Only when you drink from the river of silence  
shall you indeed sing.*

*And when you have reached the mountain  
top, then you shall begin to climb.*

*And when the earth shall claim your limbs,  
then shall you truly dance."*

# FOOTBALL

Although Bedford's football team went winless this year, the Blue and White provided thrills and excitement for the many fans who supported them throughout the season.

Led by Captain Jack "Java" Linehan, the underdog Buccaneers opened their season against Ashland, last year's co-champs in the Dual County League. After the team had lost 0-27, Bedford's coach, Harry Drivas, paid special tribute to the playing of John Fairbanks, John Awtrey, Dave LaRosee, and Bob Lynch.

Bedford lost its tightest game of the season to North Reading by a score of 6-8. Outplaying their opponents as the movies clearly showed, Bedford's offense was sparked by the powerful running of junior fullback Lynn Mathews and senior halfback George "Frog" Walker. Walker thrilled the spectators with an electrifying 88-yard punt return for Bedford's only touchdown.

Before one of the largest gatherings in Bedford's football history, the Buccs, playing against a big and strong Maynard club, was left with the short end of a 12-0 count. The highlight of the game was the fine all-around performance of quarterback Tom Sinnamon. The Bedford Eleven played an exceptionally fine game against this explosive Class C Maynard squad.

Bedford dropped its next game, 0-14, to Westwood, who finished the season as Dual County League Champion. Halfback Ray "Ducky" Maillard and fullback Lynn Mathews were the leading ball carriers for Bedford, while the top defensive performers for the home club were ends Peter Dolan and Bill Martines, and linebacker Paul Hoyt.

Lynnfield dealt Bedford its 5th loss of the season as they whitewashed the crippled Buccaneers by a 23-0 score. Seniors Jack Linehan, John Awtrey, and Bayard Tracy were unable to play because of injuries. Bedford's only substantial gain was provided when senior end Bill McLaughlin caught an 8-yard pass.

Bedford hit the scoring column for the second time this season as they bowed to St. Patrick's of Watertown 6-20. Bedford scored its only touchdown of the game when halfback Ray Maillard swept the end and reeled off a sensational 42-yard touchdown run. Guard Robin Grieves paved the way for the runner, as he threw a fine block.

Playing against a fast Wayland eleven, the Buccaneers once again tasted sour defeat, this time by a lopsided score of 0-30. First string end Jack Perkins was unable to play because of an injury. Both Don Dotson and Jack Linehan played good games for Bedford.

Except for the final score of 20-6 in favor of defending Dual County League champion Weston, Bedford football supporters were treated to two thrilling offensive maneuvers in this hard-fought contest. Old Reliable Ray Maillard once again produced a sparkling touchdown when he, after guard Bayard Tracy made a beautiful cross body block, "set sail" down the sidelines for a 61-yard TD romp.

In the traditional Thanksgiving Day football game, Burlington, defeated Bedford by a score of 8-0. Although the Red Devils downed the locals, the outcome of the game was in doubt almost to the final whistle. Bob Lynch had the greatest day of his high school football career as he ran for a total of 110 yards, establishing a new rushing record for Bedford in this traditional game. Sophomore Dale Porter and junior Mario Roberson played well for Bedford. Besides those seniors already mentioned, Paul O'Neil played his last game for Bedford.

Special credit should be given to head football coach Harry Drivas and his assistants Paul Sullivan and Anthony Scibelli.

During the summer, the Unicorn  
usually employs name artists for a  
period of two or three weeks each.  
However, Tim feels that there is a good  
chance he will be working there this  
summer.

Tim doesn't always do his own  
accompaniment. Sometimes he sings with  
Nancy Fitzwilliam. He sings ballads,  
particularly child ballads and dust  
bowl ballads.

His favorite folk singers are Bob  
Dylan, Judy Collins, Joan Baez, and  
Jackie Washington.

Says Tim, "To be a folk singer in  
a coffee house one has to be able to  
learn at least ten new songs a week.  
Just to do this takes an awful lot of  
time."

## The Galaxies Play

Northeastern University was the  
scene of excitement for four BHS musi-  
cians known as the Galaxies. DONNY  
MCINTYRE and KEVIN DURIS, guitar  
players, DONNY RICHARDSON, drummer,  
and PAUL FAY, singer, entertained  
members and guests of the Alpha Beta  
Kappa fraternity house, Saturday,  
March 5.

fore, the players were not permitted  
to use anything except moveable props.  
They had to rely upon their own tal-  
ents to create the proper atmosphere  
and illusion.

Under the able direction of MR.  
RICHARD STOTT the entire cast performed  
admirably.
